# **DEDICATION**

ANITA GAYLE WARDLAW

Anita was a wonderful person and friend to all. She always had a smile and place in her heart for her friends. Anita was outstanding in everything she set out to do. She carried a high average in school and was very athletically inclined.

She believed in people and accepted them for what they were and never criticized them for what they did, she always wanted to be treated the same.

Anita will always be terribly missed by her classmates, friends, and family but she will never be forgotten.

The 1977-1978 Season, for the lady Wildcats, was one of "ups and downs." The season record was 9 wins and 12 losses; but with some breaks here and there, a much better record could have been achieved. Fundamentals were stressed; desire, dedication, and hard work were expected.

The team captured the 1st place trophy at the Yarbrough Invitational, and 4th place at the Hartley Tournament. Stephanie Nall and Jill Alexander were named to the High Plains Conference "All-Conference" Team.

The five graduating seniors will be missed.

**KATY HEPPARD** — Part time starter at forward, never really used her full ability — but was as good as anyone in the Panhandle when she did. Tremendous strength and quickness were her greatest assets.

**JUDY WALKER** — Part time starter at forward; made up for her lack of quickness with a good shooting touch; always gave a super effort; very dependable.

**JILL ALEXANDER** — 2 year starter at forward, led the Wildcats in scoring, assists, and free throw percentage; a team leader and excellent floor leader; super on the "forward press" and on "offensive rebounds."

**JANEY LOOFBOURROW** — 2 year starter at guard; always had to guard the "big" forward giving away 4"-5"; she made up this difference with good quickness and mental toughness; co-captain for the 77-78 season.

**STEPHANIE NALL** — 2 year starter at guard; small in stature at 5' 2" but a big heart and great desire made up for that; quickness and knowledge of the game were her greatest assets. A team leader and excellent ball handler; co-captain for the 77-78 season.

## Senior Salute

Jeff Wardlaw — Forward — 6' 1"

I felt like we had a good season. The team played hard showing good effort all season. We ended up with an 11-10 record. We won the Yarbrough Tournament beating Felt in the finals and were runner-up in the Hartley Tournament losing to Channing in the finals.

Several of the players received awards during the season. Jeff and Rick were all-conference and Jason made alternate. Rick was also on the All-tournament team at Yarbrough. We will miss the seniors next year. They were all fine leaders and players.

For the Jr. High Football Boys the 77 season was a good one. Not only because the young Wildcats had a winning season, but because they worked hard, competed hard, and enjoyed themselves. Jr. High football is a time to learn the basics of the game. It is a time to learn from our many mistakes and hard knocks. It is also a time to have fun and enjoy the game of football in its purest form.

These 77 Wildcats achieved all of these things and more because of their hard work and enthusiasm.

# Senior Good-Bye

So long my friend, now  
I guess it's time to move along.  
We've had our good times,  
We've had our ups and downs  
With every single thing we've done.  
We've been discouraged,  
But still we've had a lot of fun.  
And I will always  
Remember all the times we've had,  
Through all the tears  
And all the times of being glad.  
So just be happy,  
That's all that matters anyway.  
And keep on trying,  
You'll get just what you want  
some day.  
Cause wherever you go,  
We're every single thing you do.  
Throughout your lifetime  
We'll always be a part of you.  
So long, so long, my friend.

Don't you know we're alone.  
Don't you know we need our friends.  
I know you have to be going, so  
So long my friend, good-bye.

## Editor's Note

The years of BCHS have gone by so fast. Before you know it, you are a graduating senior and having to assume responsibilities in the outside world.

I want to thank the annual staff for all the hard work they put into the yearbook. It got pretty hectic sometimes but somehow we pulled through.

A special thanks to John Kellison, our sponsor, for all his help and making the work a little more bearable.

I hope your memories of BCHS have been captured in the 78 WILDCAT
